

Action taken Report
Academic year 2022-23

Action taken for the academic year 2022-23 on the basis of feedback analysis.

Sr.No.	Stake holder	Action
1	Students	Base on the feedback received conducted various activities. The suggestion and comments received through the feedback are duly communicated to the members of various Board of Studies and committees. Since the institution is an affiliated one, it has to follow the syllabus formulated by University.
2	Faculty	Faculty have increased the practical based activities. Depending on the feedback, the departmental committee has decided to place the suggestion to the members of the Board of Studies, the opinion of the students has been given due to importance and some changes have been incorporated in relation with the applications aiming at the employability
3	Employer	As Suggested students getting hands on knowledge through Industry visits. Active participation and communication with the industry needs to be implemented for enhancing a better curriculum delivery to the students and involving the industry during the curriculum designing.
4	Alumni	Soft skills programs arranged to enhance soft skills among the students. With the continuous changes and evolvement of new technology the alumni is communicating to the respective faculty and the training placement department the requirement expected from the industry during the internship and placements.

Action taken Report
Academic year 2021-22

Action taken for the academic year 2021-22 on the basis of feedback analysis.

Sr.No.	Stake holder	Action
1	Faculty	Faculties have increased application based and innovative teaching methodology. Some of the faculty are actively participating in the syllabus restructuring process, the suggestion are conveyed effectively. Based on the feedback given by the students the syllabus needs to more incorporate with current trends in the industry.
2	Students	Activities conducted to enhance various interpersonal skills. The faculty needs to add in live demonstrations, guest lecturers & visits for better understanding of the topic which is delivered to the students.
3	Employer	As per feedback received students are getting industry ready sessions. This will not only benefit the industry with a better manpower but will also help students and faculty to be at par with the industrial requirements.
4	Alumni	More focus on personality development program. . During the alumni meet in the month of October the passed out students are invited and are encouraged to interact and share their experience with the current batch of students by giving them additional information regarding the industrial requirements compared to the syllabus delivery which helps them to prepare for a better career prospects.
