Objectives of the Event:

- To commemorate the birth anniversaries of **Mahatma Gandhi** and **Lal Bahadur Shastri** and honor their contributions to the nation.
- To instill the values of non-violence, truth, simplicity, and leadership among students.
- To engage students in activities that reflect the principles and teachings of these great leaders.

Event Description:

The event commenced with a tribute to **Mahatma Gandhi**, followed by an inspiring talk on his advocacy for cleanliness and its relevance in modern society. The Director of ASMA Institute of Management addressed the gathering, emphasizing the importance of Gandhi's vision of a clean and self-reliant nation.

The **Swachhta Abhiyan** started soon after, with students, faculty, and staff actively participating in a cleanliness drive around the campus. Equipped with cleaning tools, gloves, and biodegradable waste bags, the participants cleaned various areas of the campus, including classrooms, common areas, and outdoor spaces. The drive also extended to nearby streets, where the ASMA community worked to raise awareness among locals about maintaining a clean environment.

Participants engaged in discussions on sustainable waste management, proper disposal of waste, and the harmful effects of plastic pollution. The event fostered a sense of civic responsibility and community participation among the attendees.

Learning Outcome:

- **Increased awareness** of the importance of cleanliness and hygiene in creating a healthy environment.
- **Understanding of Gandhian values** of self-discipline, community service, and sustainability.
- Practical experience in **community involvement** and collective responsibility for maintaining a clean environment.
- Strengthened bonds among students, faculty, and staff through active participation in a socially impactful event.
- The **Gandhi Jayanti and Swachhta Abhiyan** celebration at ASMA Institute of Management successfully highlighted the relevance of Mahatma Gandhi's teachings in contemporary society and encouraged the ASMA community to adopt sustainable cleanliness practices in their daily lives.
