## 1. Policy document on environment and energy usage

### Policy for Green Campus/Energy/Waste/Water Management and Conservation

ASMA Institute of Management is committed to sustainable development in all its endeavours. Within this framework, we aim to streamline energy conservation and utilization through socially responsible practices.

The main objective of the Environment and Energy Usage Policy of the institute is to manage energy systematically to minimize its impact on the environment. This environment and energy policy is binding for all components of the institution and applies to all stakeholders and various activities undertaken by the institution.

ASMA envisions a clean and green campus to promote sustainable and eco-friendly practices within the campus and beyond. We focus on implementing responsible waste management practices and water management and conservation initiatives in our daily operations. We strive to explore renewable energy resources and seek substitute natural resources as solutions to the energy crisis. This approach will help embed efficiency and environmental awareness into our everyday activities, reinforcing our responsibilities and commitment to conserving natural resources.

#### Objectives:

- Develop awareness about environmental issues.
- Understand responsibilities towards energy conservation.
- Implement responsible procedures for waste management.
- Reduce waste production on campus for all activities and programs.
- Initiate water management and conservation practices.
- Encourage green practices within the campus and beyond.
- Maintain cleanliness and sanitation on campus.
- Provide a pollution-free, healthy environment.

Director

PSD Shastri Educational Foundation's  
ASMA Institute of Management

## **Plan of Implementation/Practices**

The College is committed to sustainable development in all its endeavours. The following areas will be considered for streamlining ways and procedures for environmental and energy conservation:

- A. Energy Conservation and Management
- B. Waste Management - Solid, Liquid & E-Waste Management
- C. Water Conservation and Management
- D. Clean & Green Campus
- E. Paperless Operating Procedures
- F. Ban on Single-Use Plastics on the Campus

### **A. Energy Conservation and Management**

- Install and use LED bulbs on campus to save energy.
- Invest in power-efficient equipment.
- Create awareness that small actions matter—place Save Energy labels/posters at various locations on campus.
- Encourage the use of natural lighting and ventilation whenever possible.
- Take additional measures to continuously improve our energy consumption.
- Ensure the availability of necessary resources to achieve our objectives.

### **B. Waste Management - Solid, Liquid & E-Waste Management**

- Implement two-way segregation of waste at source on campus.
- Practice the 4 R's: Reduce, Reuse, Recycle, and Refuse wherever possible.
- Reduce waste production on campus.
- Install and use a sanitary napkin incinerator and disposal machine.
- Follow eco-friendly practices in daily activities and programs.
- Prefer eco-friendly items and materials for packaging, decorations, and gifts.
- Promote recycling and recreating through best out of waste activities.
- Develop a systematic waste management mechanism

sma.in, director@asma.in Website: www.asma.in

### **C. Water Conservation and Management**

- Utilize rainwater recharge pits for water conservation and management.
- Periodically mend and repair leaks in taps and pipes.
- Plant indigenous varieties and less water-demanding plants on the campus.
- Create awareness through Save Water labels/posters at various locations.
- Organize water conservation activities to raise awareness among faculty and students.

### **D. Clean & Green Campus**

- Maintain a good green cover with indigenous trees and plants, with plans for improved landscaping.
- Consistently conduct tree plantation drives.
- Establish a Green Club for sustained environmental activities.
- Reduce local air pollution by encouraging environment-friendly transportation, such as bicycles, public transport, and pedestrian-friendly roads.
- Ensure cleanliness and sanitation throughout the campus.

### **E. Paperless Operating Procedures**

- Transition towards a paperless office with e-office practices, encouraging communication through emails and virtual platforms.
- Store documents digitally through Google Account storage.
- Form subject-wise WhatsApp groups and Google Classrooms for communication and course content delivery.
- Maintain active social media handles, including Instagram, Facebook, LinkedIn, etc.
- Operate a fully functional college website.

## **F. Ban on Single-Use Plastics on Campus**

- Strive towards a plastic-free campus by banning single-use plastics.
- Practice the 4 R's: Reduce, Reuse, Recycle, and Refuse.
- Follow eco-friendly practices in daily activities and programs.
- Use eco-friendly bags and materials.
- Prefer eco-friendly items for packaging, decorations, gifts, and mementos during various programs.

## **Conclusion**

The strategies and procedures outlined above are subject to change as per evolving needs. This policy will be communicated to all students, staff, and employees of ASMA Institute of Management. All stakeholders are expected to abide by the policy to maintain a green, clean, and eco-friendly campus.

## Tree Plantation

**Event Type:** Extension & Outreach Activity

**Event Name:** Tree Plantation Day & Date: Saturday, 30th Nov. 2019

### Objectives of the Event:

- To raise awareness among students about the importance of planting and preserving trees.
- To promote the message of environmental sustainability.
- To instill values of environmental and social responsibility in students.

**Event Description:** The environment we live in directly affects our well-being, and it is essential that we all contribute towards its improvement. Recognizing the importance of a healthy and sustainable environment, students from ASMA Institute of Management actively participated in a tree plantation initiative.

Planting trees is more than just a one-time activity; it is a critical necessity in today's world. Trees help combat air pollution, reduce the impact of global warming, and contribute to a cleaner, healthier atmosphere. The students enthusiastically organized and took part in a tree plantation campaign, showcasing their commitment to environmental conservation.

### Learning Outcomes:

- Students were motivated to actively participate in the maintenance and preservation of trees.
- Students became aware of the importance of improving the living environment through afforestation and tree planting activities.
- The event inspired students to continue planting and protecting trees, serving as a role model for future generations.

## E-Waste Collection Drive

### Objectives of the Event:

- To create awareness among students and the community about the importance of responsible e-waste disposal.
- To encourage environmentally friendly practices by promoting the collection and recycling of electronic waste.
- To reduce the harmful impact of e-waste on the environment by ensuring proper disposal and recycling of electronic materials.
- To instill a sense of social responsibility and environmental consciousness among students.

**Event Description:** From January 13 to February 13, 2023, ASMA Institute of Management organized an **E-Waste Collection Drive** with the aim of raising awareness about the importance of properly disposing of electronic waste. With the rapid advancement of technology, discarded electronics such as old phones, computers, and other gadgets have increasingly contributed to environmental pollution. Improper disposal of these devices leads to toxic substances leaching into the soil and water, creating health and environmental hazards.

The students and staff at ASMA, along with the local community, actively participated in the drive by collecting various forms of e-waste, such as broken or outdated electronics. Through this initiative, the institution aimed to foster a culture of responsible e-waste disposal and recycling. The collected e-waste was handed over to authorized recycling centers to ensure safe and sustainable handling.

The event highlighted the importance of reducing the environmental footprint caused by e-waste and encouraged the practice of recycling electronic materials for a cleaner, healthier planet.

asma.in, director@asma.in Website: www.asma.in

### Objectives of the Event:

- To commemorate the birth anniversaries of **Mahatma Gandhi** and **Lal Bahadur Shastri** and honor their contributions to the nation.
- To instill the values of non-violence, truth, simplicity, and leadership among students.
- To engage students in activities that reflect the principles and teachings of these great leaders.

### Event Description:

The event commenced with a tribute to **Mahatma Gandhi**, followed by an inspiring talk on his advocacy for cleanliness and its relevance in modern society. The Director of ASMA Institute of Management addressed the gathering, emphasizing the importance of Gandhi's vision of a clean and self-reliant nation.

The **Swachhta Abhiyan** started soon after, with students, faculty, and staff actively participating in a cleanliness drive around the campus. Equipped with cleaning tools, gloves, and biodegradable waste bags, the participants cleaned various areas of the campus, including classrooms, common areas, and outdoor spaces. The drive also extended to nearby streets, where the ASMA community worked to raise awareness among locals about maintaining a clean environment.

Participants engaged in discussions on sustainable waste management, proper disposal of waste, and the harmful effects of plastic pollution. The event fostered a sense of civic responsibility and community participation among the attendees.

### Learning Outcome:

- **Increased awareness** of the importance of cleanliness and hygiene in creating a healthy environment.
- **Understanding of Gandhian values** of self-discipline, community service, and sustainability.
- Practical experience in **community involvement** and collective responsibility for maintaining a clean environment.
- Strengthened bonds among students, faculty, and staff through active participation in a socially impactful event.

The **Gandhi Jayanti and Swachhta Abhiyan** celebration at **ASMA Institute of Management** successfully highlighted the relevance of Mahatma Gandhi's teachings in contemporary society and encouraged the ASMA community to adopt sustainable cleanliness practices in their daily lives.

## TRAFFIC AWARENESS CAMPAIGN

**Event Type:** Extension & Outreach Activity

**Event Name:** Traffic Awareness Campaign

**Date:** Friday, 27th January 2023

### Objectives of the Event:

- To create awareness among students about traffic rules and regulations.
- To educate students which will contribute to traffic management and pollution control.

### Event Description:

The Traffic Awareness Campaign held on January 27, 2023, aimed to educate students about the critical importance of following traffic rules and regulations. The event featured interactive sessions, informative presentations, and engaging activities designed to highlight safe driving practices, the significance of wearing helmets and seatbelts, and the dangers of distracted driving.

Participants had the opportunity to engage with traffic safety experts who shared insights on local traffic laws and the positive impact of adherence to these rules on community safety. Additionally, the campaign emphasized the benefits of the Pune Metro as a sustainable transportation option that reduces traffic congestion and helps in controlling pollution levels in the city.

Various activities, such as quizzes, demonstrations, and distribution of informative pamphlets, were organized to enhance participants' understanding of traffic safety and encourage responsible behavior on the roads.

### Learning Outcomes:

- Increased awareness among students regarding the importance of traffic rules and regulations, promoting a culture of safety.
- Empowerment of students to make informed decisions about road safety and their role in promoting responsible driving behaviors within their communities.
- Development of critical thinking and problem-solving skills related to traffic safety challenges and solutions.
