Objectives:

To equip students with a business mindset and strategic marketing skills. To provide insights into effective management strategies and essential marketing tools.

To foster collaboration, problem-solving, and communication skills through interactive activities.

Event Description:

The Marketing Masterclass Workshop at ASMA was a highly engaging and informative event led by , a distinguished HR strategist and author. The workshop aimed to provide students with an immersive learning experience, equipping them with the necessary knowledge and skills to excel in the marketing industry.

Throughout the session, our guest highlighted the importance of a business mindset and introduced students to effective management strategies and essential marketing tools. The workshop included various interactive group activities that encouraged students to collaborate, solve problems, and improve their communication skills.

Key Learning Outcomes:

Business Mindset:

Students gained insights into developing a business mindset crucial for strategic decision-making and long-term success.

Management Strategies:

The workshop provided effective management strategies that students can implement in real-world scenarios.

Marketing Tools:

Participants learned about essential marketing tools and techniques to enhance their marketing efforts.

Interactive Learning:

Group activities fostered collaboration, problem-solving, and communication, which are vital skills in the marketing industry.

Industry Insights:

Dr. Bawaji shared the latest trends and strategies in the marketing field, giving students practical insights and actionable strategies.

Networking Opportunities:

The workshop provided a platform for students to network with peers and the industry expert, enhancing their professional connections.

Industrial Visit-NSE

Location: NSE and Apple Store, Mumbai

Date: 5th Aug 2023

Time: 4 PM

Venue: NSE Mumbai

Summary of the Visit:

The visit aimed to provide practical exposure to approximately 264 MBA students. At the NSE, students experienced a two-hour session that provided their first exposure to India's financial markets. They learned about the equity market, including how shares are bought and sold, and factors influencing stock prices. The session introduced derivatives like futures and options, emphasizing their roles in risk management and investment strategies. It also covered the operations of stock exchanges, detailing trading processes and regulatory frameworks that ensure market integrity. Key takeaways included the importance of understanding market trends, analyzing financial data, and making informed investment decisions.

The visit to India's first Apple Store at Bandra Kurla Complex (BKC) offered insights into the operational excellence and customer-centric approach of a leading technology company. Students observed the store's unique ambiance, high-level customer service, and a wide range of Apple products, showcasing the brand's innovation. They analyzed merchandising strategies, paid heed to how the product placement and visual merchandising enhanced the customer engagement, and appreciated the efficient customer support system.

Overall, the visits provided valuable practical insights into financial markets and retail operations, complementing the students' academic learning.

Objectives:

To provide students with a foundational understanding of the capital market and various investment products.

To educate students on the power of compounding and different asset classes.

To familiarize students with the financial products available at NSE and important investment guidelines.

Event Description:

ASMA organized an enlightening visit to 'NSE'. The session aimed to provide MBA students with a comprehensive understanding of the capital market, various investment products, and the power of compounding. Also discussed various financial products available at NSE and emphasized the DO's & DON'TS for investors. Throughout the seminar, lecturer engaged students with general knowledge questions and financial quizzes, making the session interactive and informative. The session concluded with a brief discussion on the equity derivatives segment, providing students with valuable insights into advance financial instruments.

Key Learning Outcomes:

Foundational Knowledge:

Students gained a solid understanding of the capital market, different investment products, and the power of compounding.

Investment Products:

The session provided detailed information on various financial products available at NSE, helping students to identify suitable investment opportunities.

Investor Guidelines:

Students learned about the important DO's & DON'TS for investors, enhancing their investment decision-making skills.

Interactive Learning:

The inclusion of general knowledge questions and financial quizzes made the session engaging and reinforced learning through practical examples.

Advanced Financial Instruments:

The discussion on the equity derivatives segment provided students with insights into more complex financial instruments, broadening their understanding of the financial market.

In this session mainly highlighted ten key skills for students: recognizing passion and purpose, continuous learning, networking, curiosity, journaling, time management, solutions-oriented thinking, cultural integration, embracing humility, and constant kill up gradation. His insightful talk urged students to view these skills not as an endpoint but as the beginning of a journey towards a successful and fulfilling career, encouraging them to stay curious, adaptable, and committed to personal growth.

Objectives of the Event:

- To enhance students' understanding of leadership skills.
- To provide insights on how to motivate and encourage employees effectively.
- To prepare students for future leadership roles in their careers.

Event Description:

On 4th Dec 2023, ASMA organized an enlightening guest lecture on "Leadership Skills Motivating and Encouraging Employees for all MBA students. The session commenced at 11:30 AM and featured Ms. Swati Narwal, Chief of IKEA, as the esteemed speaker. Ms. Narwal focused on imparting essential leadership skills that are critical for motivating and encouraging team members in any organizational setting.

Ms. Swati Narwal shared valuable insights and practical strategies on effective leadership. She highlighted the importance of understanding employee needs, setting clear goals, and fostering a positive work environment. Emphasis was placed on the role of communication, recognition, and support in driving employee motivation and engagement.

The session was graced by the presence of Secretary Dr. Saagar Balawadkar, who felicitated Ms. Swati Narwal for her valuable contribution to the event.

Students were engaged through interactive discussions and real-world examples that illustrated the impact of good leadership on team performance and organizational success. The lecture provided them with a deeper appreciation of the challenges and rewards of leadership and equipped them with tools and techniques to apply in their future managerial roles.

Learning Outcome:

- Improved understanding of key leadership skills required to motivate and encourage employees.
- Enhanced knowledge of strategies for effective communication and employee engagement.
- Practical insights into creating a supportive and positive work environment.
- Preparation for handling leadership roles and responsibilities in their future careers.

Objectives of the Event:

Ensuring the safety and well-being of our students and staff both within and outside the campus premises. In line with this commitment, we are pleased to announce a Traffic Awareness Campaign session.

Event Description:

We believe that the knowledge gained from this session will not only benefit you personally but also contribute to the overall safety culture of our college community.

Traffic management and control. The key points which were discussed during session was benefits of Traffic Awareness.

Learning Outcome:

- Students were aware about benefits of public transport
- Students were made aware to traffic rules and regulations

Notice

Outbound Training Program at Adventure Plus, Bhor

Date: 24/12/2022

Dear Students,

We are thrilled to announce an adventurous and exciting Outbound Training Program for our students at Adventure Plus in Bhor.

Date: 26.12.2022

Venue: Adventure Plus, Bhor

This program aims to build confidence, develop new skills, and create lifelong memories through engaging and challenging individual and team activities. We encourage all students to participate and make the most of this exciting opportunity.

Objectives:

The objective of the Outbound Training Program was to provide students with an opportunity to engage in outdoor adventure activities, build confidence, develop new skills, and foster teamwork. The program aimed to create a dynamic and challenging environment where students could grow both individually and as a team.

Event Description:

ASMA organized an adventurous and exciting Outbound Training Program for students at Adventure Plus in Bhor. The program featured a variety of outdoor and adventure activities designed to challenge and engage the students. Activities included:

Hiking: Students embarked on hiking trails, which provided a mix of physical exertion and scenic beauty, promoting endurance and appreciation for nature.

Rock Climbing: This activity tested the students' physical strength, agility, and problem-solving skills as they navigated various climbing routes.

Kayaking: Students enjoyed kayaking, which helped build their water navigation skills and fostered a sense of adventure and confidence.

Team-building Activities: A range of team activities were conducted to enhance teamwork, communication, and collaboration among students.

Throughout the program, students were encouraged to step out of their comfort zones, take on new challenges, and support one another, fostering a strong sense of community and camaraderie.

Learning Outcome:

Students emerged from the program with increased confidence and newly developed skills. They experienced the importance of teamwork, effective communication, and resilience. The diverse activities helped students to overcome personal challenges and build lasting memories. The experience also provided valuable lessons in leadership, problem-solving, and collaboration, all of which are essential skills for personal and professional growth.

Notice

Subject: Industrial Visit to Whirlpool Industries

Dear Students,

We are excited to announce an industrial visit to Whirlpool Industries for MBA students. This visit will provide valuable insights into manufacturing processes, quality control, and supply chain management in the home appliance industry.

Details of the Visit:

- **Date:** 27.01.2023
- **Venue:** Whirlpool Industries,
- **Time:**
- **Dress Code:** Business casual attire. Closed shoes are mandatory for safety reasons.
- **Instructions:**
 - Carry your college ID card.
 - Mobile phones are allowed but must remain on silent during the tour.
 - Adhere to all safety protocols and follow the instructions of the Whirlpool team during the visit.

This visit is a great opportunity to learn about the operations of a global leader in the home appliance industry. Attendance is mandatory for all students.

For any further queries, please contact the undersigned.

Event Objective:

The objective of ASMA Institute of MBA's visit to Whirlpool Industries was to provide students with a practical understanding of manufacturing processes, quality control, and supply chain management in the home appliance industry. The visit aimed to offer insights into how Whirlpool, as a global leader in consumer appliances, maintains operational efficiency, innovation, and sustainability while meeting customer demands in a competitive market.

Key Learnings from the Visit:

- 1. Manufacturing Processes and Automation:** Students observed the state-of-the-art manufacturing processes at Whirlpool, which combine automation with skilled labor to produce high-quality home appliances. This demonstrated the importance of efficiency, precision, and technology in modern manufacturing.
- 2. Quality Assurance and Product Testing:** The visit showcased Whirlpool's rigorous quality assurance protocols, where every appliance undergoes multiple testing phases to ensure performance and durability. Students learned how product testing and innovation are critical for maintaining customer satisfaction and brand reputation.
- 3. Supply Chain Management:** Whirlpool's efficient supply chain management system was explained, highlighting how raw materials are sourced, stored, and utilized to meet production demands. Students gained insights into inventory management, logistics, and supplier relationships that are crucial for maintaining seamless operations.
- 4. Sustainability Initiatives:** Students learned about Whirlpool's efforts to incorporate sustainable practices in manufacturing, such as energy-efficient production techniques and eco-friendly materials. The company's focus on reducing its environmental footprint and promoting sustainability aligned with current global trends in corporate responsibility.
- 5. Product Innovation and Customer-Centric Approach:** Whirlpool's innovation in home appliances, driven by consumer needs and preferences, was emphasized. Students learned how market research, customer feedback, and design innovation lead to the development of new products that cater to a modern lifestyle.
- 6. Global Market Trends and Competitive Strategy:** Students also gained insights into the global home appliance market, learning how Whirlpool adapts to changes in consumer behavior, technological advancements, and competitive dynamics to remain a leader in the industry.
